

Chapter 1

Scarcity, Opportunity Cost, Trade, and Models

| Figure | Title | G, I, T | Page |
|--------|---|---------|------|
| 1.1 | Jill's Production Possibilities | T, G | 8 |
| 1.2 | Marie's Production Possibilities | T, G | 8 |
| 1.3 | Opportunity Costs for Jill and Marie | T | 10 |
| 1.4 | Mutually Beneficial Gains from Trade a) Jill's Gains from Trade b) Marie's Gains from Trade | G G | 11 |
| 1.5 | Circular Flow of Economic Life | I | 14 |
| 1.6 | Three Keys to Smart Choices | I | 19 |

Chapter 2

The Law of Demand

| Figure | Title | G, I, T | Page |
|--------|---|---------|------|
| 2.1 | Your Demand for Beats Headphones | T | 34 |
| 2.2 | Market Demand for Water | T, G | 35 |
| 2.3 | Two Ways to Read a Demand Curve a) Reading the Demand Curve as a Demand Curve b) Reading the Demand Curve as a Marginal Benefit Curve | G G | 36 |
| 2.4 | An Increase in Demand for Beats Headphones | T, G | 40 |
| 2.5 | More Consumers Increase the Market Demand for Water | T, G | 44 |
| 2.6 | Change in Quantity Demanded versus a Change in Demand a) Change in Quantity Demanded b) Change in Demand | G G | 45 |
| 2.7 | Law of Demand and Changes in Demand | T | 46 |

Chapter 3

The Law of Supply

| Figure | Title | G, I, T | Page |
|--------|--|-------------|------|
| 3.1 | Your Supply of Hours Worked | T | 55 |
| 3.2 | Paola's Parlour Production Possibilities Frontier | T, G | 56 |
| 3.3 | Paola's Parlour's Marginal Opportunity Costs | T | 58 |
| 3.4 | Increasing Marginal Opportunity Cost a) Marginal Opportunity Costs of Additional Piercings Measured in Fingernail Sets b) Marginal Opportunity Cost of Additional Piercings Measured in \$ | T G G | 59 |
| 3.5 | Market Supply of Piercings | T, G | 61 |
| 3.6 | Two Ways to Read a Supply Curve a) Reading the Supply Curve as a Supply Curve b) Reading the Supply Curve as a Marginal Cost Curve | G G | 62 |
| 3.7 | Increase in Market Supply of Piercings | T, G | 65 |
| 3.8 | Change in Quantity Supplied versus a Change in Supply a) Change in quantity Supplied b) Change in Supply | G G | 69 |
| 3.9 | Law of Supply and Changes in Supply | T | 70 |

Chapter 4

Demand and Supply

| Figure | Title | G, I, T | Page |
|--------|--|------------------|------|
| 4.1 | Market Demand and Supply for Piercings | T, G | 81 |
| 4.2 | Increase in Demand | T, G | 88 |
| 4.3 | Decrease in Demand | T, G | 89 |
| 4.4 | Increase in Supply | T, G | 90 |
| 4.5 | Decrease in Supply | T, G | 91 |
| 4.6 | The Effects of Combined Changes in Demand and Supply a) Increase in Both Demand and Supply b) Decrease in Both Demand and Supply c) Increase in Demand and Decrease in Supply d) Decrease in Demand and Increase in Supply | G G G G | 93 |
| 4.7 | Effects of Changes in Demand or Supply | T | 94 |
| 4.8 | Marginal Benefit and Consumer Surplus | G | 96 |
| 4.9 | Marginal Cost and Producer Surplus | G | 97 |
| 4.10 | Measuring the Miracle of Markets a) Maximum Total Surplus for an Efficient Market b) Inefficiency When MB Not Equal to MC | G | 98 |
| 4.11 | Inefficient Outcomes a) Inefficiency of Producing Too Little b) Inefficiency of Producing Too Much | G | 100 |

Chapter 5

Elasticity

| Figure | Title | G, I, T | Page |
|--------|--|---------|------|
| 5.1 | Inelastic and Elastic Demand a) Inelastic Demand for Insulin b) Elastic Demand for Blue Earbuds | G G | 108 |
| 5.2 | Extreme Elasticities of Demand a) Perfectly Inelastic Demand b) Perfectly Elastic Demand | G G | 110 |
| 5.3 | Elasticity and Total Revenue | T | 113 |
| 5.4 | Midpoint Elasticity and Total Revenue Calculations | T | 116 |
| 5.5 | Elasticity and Total Revenue a) Demand b) Total Revenue | G | 117 |
| 5.6 | Extreme Elasticities of Supply a) Perfectly Inelastic Supply b) Perfectly Elastic Supply | G G | 120 |
| 5.7 | Measures of Elasticity | T | 127 |
| 5.8 | A Sales Tax on Businesses | G | 128 |
| 5.9 | Tax Incidence with Extreme Demand Elasticities a) Perfectly Inelastic Demand b) Perfectly Elastic Demand | G G | 129 |
| 5.10 | Tax Incidence with Extreme Supply Elasticities a) Perfectly Inelastic Supply b) Perfectly Elastic Supply | G G | 130 |
| 5.11 | Elasticity and Tax Incidence | T | 131 |
| 5.12 | Tax Revenues | G | 131 |

Chapter 6 Government Policy Choices

| Figure | Title | G, I, T | Page |
|--------|--|-------------|------|
| 6.1 | Market for Gasoline with Shortage | T, G | 140 |
| 6.2 | Market for Gasoline with Surplus | T, G | 142 |
| 6.3 | Market for Two-Bedroom Apartments a) Market for Two-Bedroom Apartments b) Market for Two-Bedroom Apartments with Rent Controls | T G G | 146 |
| 6.4 | Market for Unskilled Labour a) Market for Unskilled Labour b) Market for Unskilled Labour with a Minimum Wage | T G G | 150 |

Chapter 7 Opportunity Costs, Economic Profits and Losses, and the Miracle of Markets

| Figure | Title | G, I, T | Page |
|--------|---|---------|------|
| 7.1 | Accountant's One-Year Business Plan for Wahid's Web Wonkers | T | 168 |
| 7.2 | Economist's One-Year Business Model for Wahid | T | 173 |
| 7.3 | Alternative Profit Scenario's for Wahid's Web Wonders | T | 174 |
| 7.4 | Short-Run and Long-Run Market Equilibrium a) Economic Losses and Decreased Supply Lead to Long-Run Market Equilibrium b) Economics Profits and Increased Supply Lead to Long-Run Market Equilibrium | G | 177 |

Chapter 8 Monopoly to Competition and In Between

| Figure | Title | G, I, T | Page |
|--------|--|---------|------|
| 8.1 | Monopoly's Inelastic Demand | G | 185 |
| 8.2 | Perfectly Elastic Demand for an Individual Business in Perfect Competition | G | 186 |
| 8.3 | Market Structure and Pricing Power: Monopoly and Perfect Competition | T | 192 |
| 8.4 | Market Structure and Pricing Power | T | 194 |

Chapter 9 Marginal Revenue and Marginal Cost

| Figure | Title | G, I, T | Page |
|--------|--|---------|------|
| 9.1 | Demand and Marginal Revenue for Price Takers | G | 208 |
| 9.2 | Demand and Marginal Revenue for Price Makers with One-Price Rule | T | 209 |
| 9.3 | Demand and Marginal Revenue for Price Makers | T, G | 210 |
| 9.4 | Increasing and Constant Marginal Costs a) Increasing Marginal Cost b) Constant Marginal Cost | G G | 212 |
| 9.5 | Paola's Marginal Revenues and Marginal Costs for Nose Piercings | T, G | 215 |
| 9.6 | Marginal Revenue and Marginal Cost | G | 216 |
| 9.7 | Paola's Calculation of Economic Profits for Nose Piercings | T | 217 |
| 9.8 | Efficiency of Price Takers and Price Makers a) Efficiency of Perfect Competition b) Inefficiency of Market Structure with Price Makers | G G | 226 |

Chapter 9 Appendix Perfect Competition: Productivity, Costs, Quantities and Profits

| Figure | Title | I, T, G | Page |
|--------|--|--------------|------|
| 9A.1 | Perfect Competition: Industry and Individual Business Demand and Price a) Wheat Industry b) Individual Wheat Farmer | G | 234 |
| 9A.2 | Total Product and Marginal Product a) Total Product b) Marginal Product | T, G G | 236 |
| 9A.3 | Increasing Marginal Cost | G | 238 |
| 9A.4 | Marginal Costs and Average Total Costs | T, G | 239 |
| 9A.5 | Smart Quantity Choice for Economics Profits and Different Prices a) Smart Quantity Choice for Economics Profits when Price = \$4 b) Smart Quantity Choice for Economics Profits with Difference Prices | G G | 242 |
| 9A.6 | Individual Farmer's Supply of Wheat | T, G | 243 |
| 9A.7 | Market Supply of Wheat with 1000 Farmers | T, G | 244 |
| 9A.8 | Scenario One - Economic Losses | G | 246 |
| 9A.9 | Scenario Two - Breakeven Point | G | 246 |
| 9A.10 | Scenario Three - Economic Profits | G | 247 |
| 9A.11 | Short-Run and Long-Run Market Equilibrium in the Wheat Industry a) Economic Losses b) Breakeven Zero Economic Profits c) Economic Profits | G G G | 248 |

Chapter 10

Natural Monopoly, Gaming, Competition, and Government

| Figure | Title | G, I, T | Page |
|--------|--|---------|------|
| 10.1 | The Prisoners' Dilemma of Bonnie and Clyde | T, G | 261 |

Chapter 11

Externalities, Carbon Taxes, Free Riders, and Public Goods

| Figure | Title | G, I, T | Page |
|--------|---|---------|------|
| 11.1 | Demand, Supply, and Negative Externalities in the Pulp Market | T, G | 287 |
| 11.2 | Pulp Market with \$30/Tonne Emissions Tax | T, G | 292 |
| 11.3 | Demand, Supply, and Positive Externalities in a Private Post-Secondary Market | T, G | 297 |
| 11.4 | Post-Secondary Education Market with \$3000 Subsidy to Schools | T, G | 301 |

Chapter 12

Inputs, Incomes, and Inequality

| Figure | Title | G, I, T | Page |
|--------|--|---------|------|
| 12.1 | Circular Flow of Economic Life | I | 312 |
| 12.2 | Inputs and Incomes | T | 313 |
| 12.3 | Labour Hiring Decision for Wahid's Web Wonders Business | T | 316 |
| 12.4 | a) Marginal Revenue Product and the Wage Rate b) Marginal Revenue Product Curve and Marginal Cost Curve | G | 317 |
| 12.5 | Average 2010 Market Income for Canadian Families, by Family Quintiles | G | 326 |
| 12.6 | Percentage of 2010 Total Canadian Market Income, by Family Quintiles | G | 326 |
| 12.7 | Percentage of 2006 Canadian Wealth Owned, by Family Deciles | G | 327 |
| 12.8 | Lifetime Earnings Premiums Relative to High School Education | T | 328 |
| 12.9 | Average 2010 Canadian Income after Transfers and Taxes, by Family Quintiles | G | 330 |
| 12.10 | Percentage of 2010 Total Canadian Income after Transfers and Taxes, by Family Quintiles | G | 330 |
